Special Instructions: _____

***Please make sure the power to your equipment is turned ON before our arrival.**

****All equipment (plugs & baskets) MUST be out and accessible when we arrive. If not, you will be charged for replacements.**

***We will turn off your heater after test firing it. Minor repairs (including labor, parts) under \$75 may be performed and billed additionally to get heater running. Any major repairs will be noted and can be scheduled for a later date.**

****The chemicals included with Opening Plans 2, 3 & 4 are 2 lbs. shock, 1 qt. algacide and 1 qt. scale inhibitor.**

We cannot guarantee swimmable water. Additional adjustment may be necessary. After pool has been circulating for 48 hours, we recommend bringing in a water sample to determine what chemicals will be needed to balance the water.

Any additional requests above and beyond what is stated on the opening form are subject to our labor rate of \$109/hour.
